**COLORBOND® steel protects  
your good reputation**

# GAUTTEERINGS FACT SHEET

## Guttering and Downpipes

As a tradesman, the success of your business depends on your good reputation. So using second rate guttering and downpipes simply isn't worth the risk.

What homeowners want	What you need
<p><b>Longer lasting COLORBOND® steel</b></p> <ul style="list-style-type: none"> <li>• The country's leading coating technologists test COLORBOND® steel in the laboratory and in Australia's harsh conditions to ensure proven performance.</li> <li>• Superior strength and durability built over 40 years of experience in the Australian building industry.</li> <li>• COLORBOND® steel helps protect the value of a homeowner's biggest asset – their home.</li> </ul>	<p><b>Happy customers, fewer call backs</b></p> <ul style="list-style-type: none"> <li>• COLORBOND® steel helps you maintain your good reputation.</li> <li>• Fewer call backs and less time wasted because your customers are satisfied.</li> <li>• The confidence that comes with giving your customers the COLORBOND® steel they want, know and trust.</li> </ul>
